

INSTRUCTOR PROGRAM

Forklift Combo Instructor

DURATION

3 days

VALIDITY

3 years

PRICE

\$2,500

FORMAT

In-person

Develop the technical knowledge and instructional skills to competently teach Haland Learning's Counterbalance Forklift (Class 1/4/5) and Telehandler Forklift (Class 7) courses.

STANDARDS

CSA B335-15, Safety Standard for Lift Trucks

What happens in the 3-day program?

DAY	FOCUS	YOU LEAVE WITH
01	End-User Training	Counterbalance Forklift (Class 1/4/5) Certification + Telehandler Forklift (Class 7) Certification + firsthand experience of the complete end-user curriculum
02	Technical Foundation + Instructional Skills	Technical mastery + a structured approach to adult instruction
03	Instructional Skills + Practice Delivery	Instructor Certification + the confidence to deliver from Day 1

What's included

12 Student Activations*

Lesson Plans

Final Exam Answer Key

Counterbalance Forklift (Class 1/4/5) and Telehandler Forklift (Class 7) Certification

Your personal certification, earned on Day 1

Forklift Combo Instructor Certification

Your instructor credential, earned on Day 3

* Each activation includes a unique certification number assigned to the training provider, a student manual with the certification number printed on it, a digital certificate with that certification number issued from the Certification Management Platform, and a temporary physical card, for same-day jobsite proof if needed.

RENEWAL

\$795 per instructor. Every 3 years, or when an instructor has gone more than 1 year without teaching a Haland course.
